POWERLIBRARY.ORG/E-RESOURCES

This project is made possible by a grant from the Institute of Museum and Library Services as administered by the Pennsylvania Department of Education through the Office of Commonwealth Libraries, and funding from the Commonwealth of Pennsylvania, Tom Wolf, Governor. Hosted by HSLC.

E-RESOURCES

POWER Library e-resources provide access to thousands of full-text periodical articles, newspapers, a major encyclopedia, photographs, pictures, charts, maps, and reference material for Pennsylvanians of all ages. The POWER Library is a service of Pennsylvania's public libraries, school libraries, and the State Library.

POWERLIBRARY.ORG/E-RESOURCES

Or visit your local library's website and select the POWER Library icon.

Explore a World of Information at Your Fingertips

Academic Search Main Edition

This e-resource is rich with the most comprehensive, multidisciplinary, and valuable content available. It provides access to acclaimed full text journals, magazines, and other valuable resources covering topics like Chemistry, Biology, Physics, Engineering, Psychology, Religion & Theology, and more!

The contents include:

- Full text of nearly 1,900 journals
- More than 1,900 indexed and abstracted journals
- Full text of nearly 1,300 peer-reviewed journals
- Indexing and abstracts for more than 1,300 peer-reviewed journals

AP (Associated Press) Images

AP Images provides access to an extensive database of over 20 million photos, sound clips and graphics. All images are available for educational purposes. New images are added daily.

BookFLIX

Scholastic BookFLIX is an online literacy e-resource for pre-K through grade 3 that pairs classic video storybooks from Weston Woods with related nonfiction e-books from Scholastic to help build a love of reading and learning. With over 120 pairings, BookFLIX reinforces core reading skills and introduces children to a world of knowledge and exploration.

Business Source Main Edition

This scholarly business e-resource provides full text of over 730 magazines and journals and indexing and abstracting for over 2,200. The collection, dating back to 1985, includes topics like marketing, management, MIS, accounting, and many others.

Consumer Health Complete

This e-resource is designed to support the information needs of patients and to foster an overall understanding of health-related topics. This resource includes full text of more than 240 health reference books and encyclopedias.

Contemporary Authors (POWER Library Version)

This e-resource provides access to biographical and bibliographical information on nearly 150,000 of today's most influential authors, including novelists, poets, playwrights, nonfiction writers, print and broadcast journalists, and editors.

CyberSmarts

This interactive e-book collection for grades 3 - 6 offers users a safe, simulated Internet experience with hands-on instruction on how to deal with important online safety issues. The five titles included in the set are: Avoiding Predators Online, Playing Games Online, Protecting Your Privacy Online, Stopping Cyberbullying, and Using Social Networks.

E-books on EBSCOhost

This e-resource provides access to over 16,000 e-books from the world's leading publishers across all major subject areas. Perform full-text searches of a single eBook, search thousands of volumes simultaneously, or browse topic categories. In addition, you may download e-books to portable devices or read them directly online.

EBSCOhost

This e-resource provides a single location from which to simultaneously search most of the EBSCO resources provided on POWER Library.

Middle School Student Research

High School Student Research

Public Library Research

Discover reliable information on thousands of topics covering a wide range of subjects including art and music, literature, language arts, geography, history, social studies, world cultures and languages, science, technology, engineering, mathematics, health, and sports. Each e-resource features a unique landing page designed to best support users' needs in their respective settings. Powered by EBSCO Explora!

GreenFILE

This comprehensive e-resource draws on the connections between the environment and a variety of disciplines such as agriculture, education, law, health, and technology.

LISTA (Library Science & Technology Abstracts)

This e-resource indexes more than 700 journals in library science and technology plus books, research reports, and proceedings. Coverage extends back to the mid-1960s.

MasterFILE Main Edition

This multidisciplinary e-resource provides full text of over 1,300 reference resources, magazines, and journals covering general interest subject areas such as business, health, education, general science, and multicultural issues.

Middle Search Main Edition

Designed for middle school students, this e-resource provides full text to popular magazines, thousands of biographies and historical essays, and an extensive image collection that includes photos, maps, and flags. There is full text for more than 60,500 biographies and more than 54,000 primary source documents.

Newspaper Source Plus Edition

This e-resource provides the latest news with full text of over 1,200 U.S. and international newspapers and 1.4 million television and radio transcripts.

Newswires

Newswires provides near real-time access to top worldwide news from Associated Press, United Press International, PR Newswire, Xinhua, CNN Wire, and Business Wire on a continuous basis. Newswires includes AP Financial News, AP Top News, AP WorldStream, AP U.S. Politics & Government, AP 50 State Reports, UPI Security Industry, UPI Emerging Threats, UPI Business, UPI Entertainment, UPI Sports, UPI Top News, Arabia 2000, and more. Full text content in Newswires is available for the current and prior 30 days.

Primary Search Main Edition

Designed for elementary school students, this e-resource provides full text of popular magazines dating back to 1990.

Science Reference Center

This e-resource contains full text of hundreds of science reference books, periodicals, and other reliable sources. In addition, there are more than 750 full text biographies, high-quality science images, videos from EBSCO's Science Video Collections, and EBSCO's Quick View Collection Science Experiments and Lesson Plans.

SIRS Discoverer

SIRS Discoverer is a general reference e-resource for elementary and middle school students, researchers, and educators. All content is full text and includes over 2,200 high-quality newspapers, magazines, and reference materials. This e-resource includes Lexile ratings.

Teacher Reference Center

This e-resource for teachers provides indexing and abstracts for 200 peer-reviewed journals. Subject content includes assessment, best practices, continuing education, and much more!

TrueFLIX

The truth. The whole truth. And nothing but the truth about people, places, nature, history, science, and more! TrueFLIX provides eBooks that focus on engaging subject-area content in science and social studies that are enhanced with related content in a variety of text types and media—including primary sources, fiction, videos, audio clips, images, and related websites.

Web News

Web News provides near real-time access to thousands of top news feeds from around the globe. This collection includes over 14,000 feeds covering a range of business and general news topics. Full text can immediately be accessed on the web by following the link in the record.
