**POWERLIBRARY.ORG/E-RESOURCES**

This project is made possible in part by Library Services and Technology Act (LSTA) funds from the U.S. Institute of Museum and Library Services and through Library Access Funds administered by the Office of Commonwealth Libraries, Department of Education, Commonwealth of Pennsylvania, Tom Wolf, Governor. Hosted by HSLC.

Or visit your local library’s website and select the POWER Library icon.

1/2019
Explore a World of Information at Your Fingertips

Find peer-reviewed, full-text articles from journals in the areas of the physical and social sciences, technology, medicine, engineering, the arts, literature, and more. Undergraduate researchers can expand and refine search results through the Topic Finder, and citation tools are integrated directly into the user’s workflow. There are more than 18,000 peer-reviewed journals and more than 9,200 in full text.

View the greatest events in world history from the past 185 years with photographs, audio sound bites, video, and graphics. Over 3,000 photos/images/sound bites/graphics are added daily. All images are available for educational purposes.

Discover fiction and non-fiction books that match your interests! Books and Authors is for readers from every level of reading proficiency and enables users to explore the endless possibilities and combinations of books, authors, genres and topics from more than 240,000 titles.

Watch videos and read e-books about animals, celebrations, nature, music, earth, family, community, and more. Some films and e-books are also available in Spanish! With over 120 pairings, BookFLIX reinforces core reading skills and introduces children to a world of knowledge and exploration.

Access over 11,000 journals and more than 8,900 in full-text. Instantly analyze and compare financial and statistical data with interactive charting tools. Find thousands of detailed financial reports, more than 2,500 custom business glossary terms, 1,000 SWOT reports, and more.

Discover biographical and bibliographical information on more than 157,000 of the most influential authors of literature, political science, sports, and environmental studies. This includes over 2,000 periodicals in full-text, 59,000 images, 4,900 videos, and more.

Learn how to be a safe, responsible, and smart online citizen with six e-books written specifically for students. Titles include Avoiding Predators Online, Playing Games Online, Protecting Your Privacy Online, Stopping Cyberbullying, Using Social Networks, and Stopping Teen Cyberbullying.

Select from over 16,000 e-books from the world’s leading publishers across all major subject areas. Perform full-text searches of a single e-book, search thousands of volumes simultaneously, or browse topic categories. In addition, you may download e-books to portable devices or read them directly online. 200 new titles added in 2018!

Discover reliable health information through access to full-text articles of nursing and allied health journals, pamphlets, newsletters, periodicals, newspapers, encyclopedias, and more. A broad collection of full-text reference works is included!

Informe Académico proporciona acceso a periódicos y revistas especializadas de lengua española y portuguesa. La base de datos ofrece una amplia gama de contenidos sobre América Latina. (Informe Académico supports Spanish-speaking researchers with a wide range of full-text Spanish- and Portuguese-language scholarly journals and magazines both from and about Latin America.)

Información Académica propone acceso a periódicos y revistas especializadas de lengua española y portuguesa. La base de datos ofrece una amplia gama de contenidos sobre América Latina. (Informe Académico supports Spanish-speaking researchers with a wide range of full-text Spanish- and Portuguese-language scholarly journals and magazines both from and about Latin America.)

Secondary school students will have access to age-appropriate content from magazines, journals, reference books, and engaging multi-media covering a wide range of subjects, including science, history, literature, political science, sports, and environmental studies. This includes over 2,000 periodicals in full-text, 59,000 images, 4,900 videos, and more.

Learn about people, places, nature, history, and science from videos and e-books on topics such as American Indians, Ancient Civilizations, Farm to Table, The Civil War, Colonizers, The Roman Colonies, U.S. Government, Disasters, Earth Science, Experiments, Extreme Science, Nature, and many more.

Browse and read full-text newspapers from more than 2,300 major U.S. regional, national, and local newspapers, plus leading titles from around the world, or search articles by title, headline, date, author, newspaper section, or other fields. InfoTrac Newstand also includes thousands of images and radio and TV transcripts.

Discover literature from full-text poems, short stories, essays, speeches, and more in the 16th-20th centuries. Biographies, work summaries, photographs, and a glossary are also included, covering over 80,000 authors from 660 nationalities.

Discover biographies, high-quality science images, videos from EBSCO’s Science Video Collections, and EBSCO’s Quick View Collection Science Experiments and Lesson Plans.

Middle school students will discover curriculum support for language arts, social studies, and science through videos, newspapers, magazines, primary sources, etc.

Perform research from hundreds of full-text science encyclopedias, reference books, periodicals, and other reliable sources. In addition, there are more than 750 biographies, high-quality science images, videos from EBSCO’s Science Video Collections, and EBSCO’s Quick View Collection Science Experiments and Lesson Plans.
